BUILDING SPECIFICATIONS

Note: It is the sole responsibility of the property owner to determine the applicability of all Federal, State, County and local laws, ordinances, & /or other requirements and to comply fully with such prior to altering or modifying his/her property in any fashion. This includes, but is not limited to, Federal United States Army Corps of Engineer and other requirements as pertain to wetlands.

1.
 - a. No private dock or pier shall exceed 15 feet in length and 80 square feet in area outside the owner's property line or from the average shoreline; whichever causes the least protrusion into the lake at the time of construction.
 - b. The dock shall be constructed of wood or wood-like material, no more than forty-two (42) inches high.
 - c. No additional structure will be allowed (i.e.: roofs, storage boxes, etc.) on any dock.
 - d. The platform of the dock shall be no higher than two (2) feet above water level.

2. Items 2a through 2d MUST be submitted with this properly signed form:
 - a. Fee and deposit (See Notes 3a, 3b, and 3c under "Reference Notes")
 - b. Samples of dock construction material.
 - c. Samples of paint or stain color.
 - d. A plot plan, showing the outline of the lot, the out line of the dock in its proposed location, and the dimensions of the dock.

3. General Information
 - a. You will be notified within thirty (30) days after receipt of this information if your plans have been approved or disapproved. If your plans are disapproved, the entire form with attachments will be returned, with the items causing disapproval marked and noted.
 - b. A Grand County Building Permit and a Columbine Lake Country Club, Inc. Building Permit must be posted on the site, prior to any excavation or construction. They must be posted at all times so that they are accessible for check offs and visible from the road.
 - c. The project is to be completed within 90 days from issuance of the Columbine Lake Country Club, Inc. Building Permit.
 - d. It shall be the sole responsibility of the owner (s) and builder (s) to monitor and comply with all the building criteria. Any change or deviation from the approved plans, as submitted to the Architectural Review Committee and the Columbine Lake Country Club, Inc. Board of Directors could result in the revocation of the building permit issued by Columbine Lake Country Club. If the Columbine Lake Country Club, Inc. permit is revoked, this information will be forwarded to the Grand County Building Department, and all construction activity will be terminated. Construction activity cannot resume until after compliance with the original plans, or until changes have been approved.
 - e. The sale of your property will transfer to the new owner the obligations of the building covenants and restrictions and, therefore, should be considered as conditions to the right to build/sell/purchase at Columbine Lake Subdivision.

CERTIFICATION

I hereby certify that I have examined and completed this application, and know the information I have given to be true and correct. I further certify that I have read and understood the Columbine Lake Country Club, Inc. Building Criteria and Information and the Declaration of Protective Covenants, Restrictions, Easements, and Reservations of Columbine Lake Subdivision, and I will comply with all specifications. I will post the Grand County Building permit and the Columbine Lake Building permit (Columbine Lake Subdivision Architectural Review and Covenants Enforcement Checklist), where they are accessible for check-offs and are visible from the road. I ALSO UNDERSTAND I WILL NOT BE PAID ANY INTEREST ON DEPOSITS MADE TO CLCC.
