Fire Pit Specifications

1. I desire to build the following fire pit on my property in Columbine Lake Country Club, Inc.:
 - a. Diameter: _____ (the inside cannot exceed 3 feet)
 - b. Depth: _____ (no less than 2 feet below the rim)
 - c. Materials: _____
Fire ring must be twelve inches above ground level. Any rocks used for fire pit must be no less than twelve inches in diameter. Metal rings are acceptable.
 - d. Location: _____
(Fire pit must be 10 feet from all overhead tress and limbs, and there must be a ten-foot area cleaned around fire pit). A plot plan must be submitted showing fire pit in relation to house, garage, trees, etc.)
 - e. Water Supply: _____ (must be accessible to fire pit via hose, spigot, etc.)
2. No deposit required.
3. **Remember: Fires must be attended at all times by an adult.**
4. Please submit form to:

Columbine Lake Country Club, Inc.
Architectural Review Committee
PO Box 714
Grand Lake, CO 80447

General Information

- You will be notified within 30 days after receipt of this information if your plans have been approved or disapproved.
- Project must be completed 90 days from issuance of Columbine Lake Country Club, Inc. building permit.
- The sale of your property will transfer to the new owner the obligations of the building covenants and restrictions, and therefore should be considered as conditions to the right to build/sell/purchase at Columbine Lake.

Certification

I hereby certify that I have examined and completed this application, and know the information I have given to be true and correct. I further certify that I have read and understand the Columbine Lake Country Club, Inc. Building Criteria and Information and the Declaration of Protective Covenants, Restrictions, Easements, and Reservations of Columbine Lake Subdivision, and I will comply with all specifications. I will post the Grand County Building Permit and the Columbine Lake Building Permit (Columbine Lake Subdivision Architectural Control and Covenant Enforcement Checklist), where they are accessible for check-offs and are visible from the road.

Disclaimer

Nothing contained in the building application form, process, plans, or approvals should be construed to represent any assurance whatever that the building, as constructed, necessarily complies with any zoning, building code, design review, or other governmental ordinance, resolution, regulation, statute, or requirement. No owner may rely upon any approval by the Architectural Review Committee as an assurance of compliance with the foregoing. Further, the owner is advised that any review by the Architectural Review Committee is for architectural control purposes only. Nothing in said review process or approval should be construed by the owner or anyone acting by or through the owner to constitute a substitution for or replacement of any survey, location certificate, inspection, or other professional review of the construction.

Signature of Lot Owner(s)

Date

This application cannot be processed unless the above certification and disclaimer have been properly signed.
